Garage Flooring Coating Systems

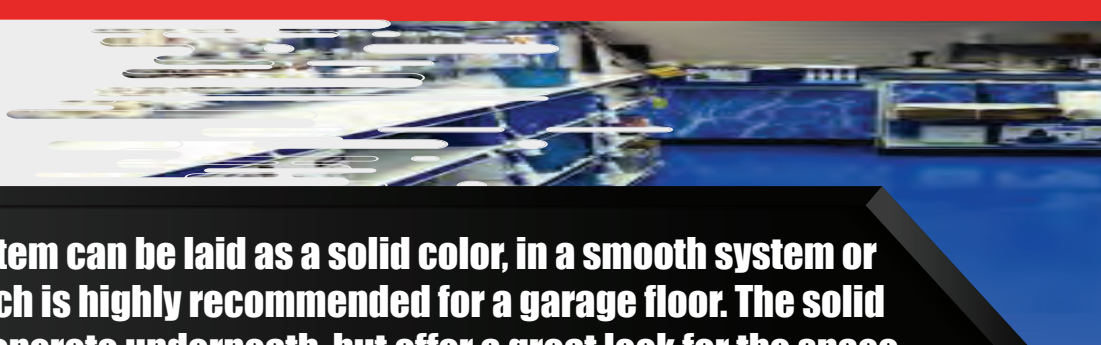

Metallic Blends

Flake Blends

Quartz Blends

Solid

SOLID Standard Colors

Runyon Surface Prep Coating System can be laid as a solid color, in a smooth system or with slip resistant additive, which is highly recommended for a garage floor. The solid colors will show more of the concrete underneath, but offer a great look for the space.

100 LIGHT GRAY

185 CHARCOAL

210 WHITE SAND

899 SAFETY YELLOW

100 MEDIUM GRAY

600 SLATE BLUE

300 TAUPE

550 GREEN

QUARTZ BLENDS

Standard Colors

Quartz is a seamless and durable resinous flooring system consisting of colored quartz aggregate and clear resin. Quartz is ideal for impact and chemical resistant applications, non-skid texture, and ease of maintenance.
